

Lyra Grade 0

The Lyra Grade 0 is an insurance-approved security safe, certified to EN 1143-1 Grade 0, built to protect cash, jewellery, documents and other valuables at home or at work. Grade 0 is the entry point of the European safe standard, and the range runs from 8 to 341 litres across twelve sizes. Every Lyra is independently tested for burglary resistance to EN 1143-1 and certified by ECB•S in Germany. The same cabinets are also offered as the Lyra Grade 1 where a higher burglary rating is required.
