

Orion

The Orion is an insurance-approved security safe, certified to EN 1143-1 Grade 1, built to protect cash, jewellery and documents at home or in a small office. Compact enough to sit inside a cupboard yet independently certified, the range runs from 27 to 85 litres across four sizes. Every Orion is independently tested for burglary resistance to EN 1143-1 and certified by VdS and ECB•S in Germany. Grade 1 is the burglary rating commonly asked for by commercial insurance policies.
